More Notable Quotables. . .

"I very much enjoy choir, knowing that in some small way I am giving my time & service to our Lord and to our congregation. I may not be the greatest baritone in our choir, but I know I'm serving my Lord and that's what is really important."

Jim Anderson

"Love singing choral music, sight reading, learning from Tom, Sojourners Class led by Bill Cleveland."

Carolyn Andrews

"Music keeps me sane (if that's possible) — it's my prayer and my pleasure."

John Frederiksen

"Choir. . . it's the best pick-up place in West County. It's where I picked up my husband! (Probably appropriate for two people who both had parents who were Methodist choir directors.)"

Merry Gnaegy

"I very much appreciate the quality choral music program at MUMC and the excellent direction by Tom Brown."

John Johnson

"I have loved music for as long as I can remember. I like to feel connected to it by singing, playing, teaching. The Church has been an important factor in my life and has been my ground wire and continues to serve in my quest to know, love and serve God."

Marlene Kuhlman

"I've been singing since age 3 and have always loved it. As I grew older, music has brought me a lot of feeling, love and spiritual direction. I've also been involved in church and school choirs for over 15 years and love every minute of it!"

Julie Pinard

"The choir is what brought us to this church."
